Dear Charles:

I can think of no better way to begin spring semester than by commending the outstanding service of the fall 2008 Delta Kappa Epsilon pledge class. In his October 28, 2008, letter, Chris Mehaffey, Program Director of the Black Warrior Council of the Boy Scouts of America, made it clear that the Black Warrior Council's weekend event for more than 500 Cub Scouts would not have been possible without the extensive support provided by the 2008 DKE pledge class.

Since my arrival at The University of Alabama, I have witnessed the steady progress of Delta Kappa Epsilon as it has emerged as a role model for our fraternity system. The chapter's most recent national recognition reflects the chapter's progress and success.

Thank you for a job well done.

Best regards,

Robert E. Witt  
President

Larry,

The weekend of October was a great weekend for the Boy Scout. The Black Warrior Council hosted more than 500 Cub Scouts and parents for a weekend of fun at Camp Horne in Cottondale. There were hay rides, pumpkin decorating, astronomy badges earned and many other things. For most of the Cub Scouts that attended, this was their first time camping in the woods.

The weekend would not have been a success if it were not for the hard working members of the Delta Kappa Epsilon fall pledge class. The 30 gentlemen you have working towards membership in your organization did a fantastic job in the kitchen helping to prepare the meals for everyone and cleaning up not only the kitchen area, but the dining hall are after each meal. On Sunday afternoon the entire pledge class returned to Camp Horne to give service by taking down the tents and cots in all 6 campsites.

Working in shifts from Friday night to Sunday afternoon the pledge class gave 287 hours of service to the Boy Scouts. Please express my gratitude to the Brothers of Delta Kappa Epsilon for encouraging the fall pledge class to give service to our organization.

Sincerely,

Chris Mehaffey  
Program Director
